## *Section 1: Introduction*

At Ballymoney Model Integrated Primary School, we believe that the safeguarding of all our pupils is paramount, and that this policy supports our work in creating a secure and caring environment. We believe that everyone in our school community has a role to play in creating a safe, inclusive, and welcoming environment for all. We acknowledge that bullying type behaviour can exist in school communities and the wider society. This can impact on the lives, mental health, and wellbeing of those involved. This policy aims to help create, maintain and embed a culture where everyone agrees that bullying type behaviour is socially unacceptable.

In Ballymoney Model Integrated Primary School we believe that safeguarding our pupils is the responsibility of all stakeholders. We promote a safe, inclusive and relational school environment where concerns of bullying type behaviour may be shared and addressed, and where pupils are supported within the context of Article 19 Measures to Prevent Bullying, Education (NI) 2003 and the 2016 Addressing Bullying in Schools Act (NI) (see Appendix I).

The purpose of this policy is to:

- define bullying type behaviour
- summarise rights, roles and responsibilities
- explain preventative measures
- clarify processes used for reporting, recording, and responding
- outline monitoring and review processes

The policy is applied where concerns of alleged bullying type behaviour between pupils have been reported. For other concerns regarding bullying type behaviours, please refer to the school complaints procedures or associated policies which are aligned to DE Circular 2016/08 Public Services Ombudsman (NI Act).

## *Ethos and Values*

We, at Ballymoney Model Integrated Primary School, have a primary responsibility for the care, welfare, and safety of our pupils by providing a safe and supportive environment. We recognise the uniqueness of every pupil and celebrate the diversity of all children and young people within our community, therefore we are opposed to bullying type behaviour. We are committed to a society where children and young people can live free and safe from bullying type behaviour. We believe that every child and young person should be celebrated in their diversity. We are committed to a preventative, relational and restorative ethos. The development of a strong positive ethos forms a key preventative measure. All members of the school community have a right to work in a secure and caring environment. They also have a responsibility to contribute, in whatever way they can, to the protection and maintenance of such an environment.

This Addressing Bullying Policy has been created by the Board of Governors at Ballymoney Model Integrated Primary School following consultation with pupils, parents/carers and staff.

## *Context*

This policy takes account of specific Legislation and Education Authority/Department of Education guidance (Appendix I)

### Links to Other Policies

This policy should be read in conjunction with SEND, safeguarding, inclusion and the wider suite of Pastoral Care policies available on the school website or from the school office by request. These policies include but are not limited to:

- Positive Behaviour Policy
- Pastoral Care Policy
- Safeguarding and Child Protection Policy
- Special Educational Needs Policy
- Pupil Attendance Policy
- Health and Safety Policy
- Online Safety Policy
- Mobile Phone Policy
- Educational Visits Policy
- Staff Code of Conduct
- Relationships and Sexuality Education
- Visitor Policy

### Consultation

We value and respect the views and contributions of our school community, and actively seek these views, respecting and taking them into account. Therefore, as part of this policy development and review, and in compliance with Article 19 of the 2003 Education (NI) Order and the 2016 Addressing Bullying in Schools ACT (N.I.), we have consulted with pupils, parents/carers, and staff.

Pupil consultation involved sharing the draft policy with pupils, led by the Pastoral Leader and Principal in discussions within all classes Years 4–7. Pupils within the lower school were provided with the pupil friendly leaflet regarding the Addressing Bullying Policy. Following initial discussions pupil comments were collected and evaluated by Pastoral Leader.

Following this first stage, the process was repeated with the School Council, led by the Pastoral Leader and School Council Leader. Pupil contributions were then gathered from representatives from each year group and the policy edited where appropriate.

Parent/Carers consultation involved advising parent/carers on the recent legislation changes and supplying the draft copy of the Addressing Bullying Policy in connection with an online questionnaire.

Staff consultation involved sharing the draft policy with all staff during a staff development day. Staff were given opportunities to evaluate the Addressing Bullying Policy by suggesting contributions for improvement or appropriate alternatives to suit the needs of the setting. Staff responded to the consultation opportunity both verbally and through an online questionnaire.

## Section 2: What is Bullying Type Behaviour?

The Addressing Bullying in Schools Act (NI) 2016 provides schools with a legal definition which must be used by all schools to assess reported concerns of bullying type behaviour.

Addressing Bullying in Schools Definition of “bullying”:

- (1) In this Act “bullying” includes (but is not limited to) the repeated use of—
- (a) any verbal, written or electronic communication,
  - (b) any other act, or
  - (c) any combination of those, by a pupil or a group of pupils against another pupil or group of pupils, with the intention of causing physical or emotional harm to that pupil or group of pupils.
- (2) For the purposes of subsection (1), “act” includes omission.

### TRIP

While the legal definition, as set out in the Act, is the primary definition, we also use the mnemonic TRIP. This helps to build a shared understanding across our school community of the difference between socially unacceptable and bullying type behaviour.

Socially unacceptable behaviour becomes bullying type behaviour when, after clarifying facts and perceptions, TRIP is confirmed:

T	When the behaviour is <b>TARGETED</b> at a specific pupil or group of pupils.
R	When the behaviour is <b>REPEATED</b> over time.
I	When the behaviour is <b>deliberately INTENDED</b> to cause harm.
P	When the behaviour causes <b>PSYCHOLOGICAL/EMOTIONAL</b> and/or <b>PHYSICAL</b> harm.

The Department of Education Addressing Bullying in Schools Statutory Guidance (2021) states that schools should consider the following:

*“Whilst the term “imbalance of power” is not contained within the statutory definition in Northern Ireland, it is a long-standing element of bullying behaviour and internationally recognised by leading academics. Schools may wish to consider including imbalance of power within their own definitions of bullying.”*

While an ‘imbalance of power’ has not been included in the legal definition, the Board of Governors have agreed to incorporate this criterion to help determine if bullying type behaviour was targeted. An ‘imbalance of power’ is present when *someone seen with lesser power*, is identified as an object of negative attention. It will be used to validate and confirm the final TRIP decision.

The Department of Education Addressing Bullying in Schools Statutory Guidance (2021) states that schools should consider the following:

*"Schools have the discretion to include one-off acts of bullying behaviour provided their policy stipulates that one-off incidents, in certain circumstances, will be treated as such. The Policy should NOT specify incidents that will be considered bullying; instead, the policy should set out the criteria that will be used by school staff to assess whether the incidents will be addressed through the Addressing Bullying Policy or Positive Behaviour Policy."*

Although incidents usually involve repetition, an one-off incident may be classified as bullying type behaviour through consideration of the following criteria:-

- severity and significance of the incident (See Appendix 4)
- evidence of pre-meditation
- psychological/physical impact of the incident on the individuals and/or wider school community
- previous relationship(s) between those involved
- any previous incident(s) involving the individuals

**A one-off electronic communication can constitute bullying type behaviour through repeated viewing and unwanted sharing of a post.**

The 2016 Act requires school to consider whether a pupil(s) intended to cause harm when determining if the incident(s) meets the legal definition. In this school, we will consider the following when assessing TRIP.

The pupil(s):

- capacity to regulate and understand the impact of their behaviour
- developmental age
- additional, educational, special, physical, or medical needs
- behaviours displayed/presenting profile (diagnosed or undiagnosed e.g. Social Behaviour Emotional Wellbeing, Autism, Attention Deficit Hyperactivity Disorder, Moderate Learning Difficulties etc.)
- individual circumstances e.g. trauma profile, safeguarding concerns, family circumstances and resilience

*Omission* will be considered when addressing bullying type concerns. This is where a pupil(s) is or are wilfully excluded from a game, activity or group work etc causing potential psychological harm. Pupils do not always have to be best friends but need to be polite and friendly.

### ***Language***

We recognise that all behaviour is communication and should be addressed through a learner centred lens for those who display *and* experience socially unacceptable or bullying type behaviour. We will address all behaviour in a relational, solution focused manner aligned to Safeguarding and SEND.

When discussing allegations of bullying type behaviour, we use language that is aligned to the Addressing Bullying in Schools Act (NI) 2016, and other relevant legislation and guidance (see Appendix I). We refer to the behaviour not the pupil and use the following:

- pupil displaying bullying type behaviour rather than the 'bully'
- pupil experiencing bullying type behaviour rather than the 'victim'
- socially unacceptable behaviour rather than 'bad behaviour' or 'serious/gross misconduct etc'

Any incident(s) which do not meet the legal definition and TRIP criteria will be addressed under one of the following policies, Positive Behaviour, Special Educational Needs, Safeguarding and Child Protection or Pastoral Care. (Please see the Parent/Carer and Pupil Guides in Appendix 6).

### Journey To and From School

The Act outlines a statutory requirement for schools to implement measures to prevent and address bullying type behaviour for pupils whilst travelling *to and from school*.

To this end, in our school we:

- address safeguarding concerns reported in relation to travel to and from school
- provide timely support and intervention
- assign staff to support a structured, supervised transition at the beginning and end of the school day
- agree a scaffolded support plan to address individual needs, regulation and vulnerabilities
- reinforce positive and upstanding behaviour expectations through the preventative curriculum
- engage with student voice about experiences on the journey to and from school
- promote and develop a culture where all pupils respect the rights of others to travel safely
- communicate consistently the expectation to include and respect individual rights and diversity
- ensure effective communication with transport providers (e.g. EA Transport) for early identification and response to reported concerns
- provide reporting mechanisms for school and the local community to report concerns confidentially e.g. safeguarding processes, school email address, Schools NI App and linked forms.

### Electronic Communication

The Addressing Bullying in Schools Act enables school to take steps to help prevent and address online bullying type behaviour involving registered pupils during term time. We acknowledge that negative online behaviour occurring either in or out of school hours, can harm a pupil's education and emotional wellbeing, and we will support affected individuals. At Ballymoney Model Integrated Primary School we are committed to supporting our pupils to use the internet safely, responsibly and respectfully.

The Addressing Bullying Policy is one of several school policies that address electronic behaviour and are reviewed in response to technological developments. As such, follow up is aligned to the wider policy suite, as stated above.

In Ballymoney Model Integrated Primary school, we aim to prevent electronic bullying type behaviour by:

- addressing key themes of electronic online behaviour and risk through curriculum content
- engaging with statutory and voluntary sector agencies and resources (e.g. Safeguarding Board NI, PSNI, Public Health Agency, Safer Schools App) to support the promotion of key messages and online safe digital use

- participating in safer electronic/online/cyber campaigns to promote key messages
- addressing reported safeguarding concerns in relation to the misuse of electronic communication and provide timely support and intervention
- providing reporting mechanisms for school and wider community to report concerns confidentially
- creating, agreeing and implementing an Acceptable Use Agreement see DE Circular 2016/27 and incorporating the use of Securus Online monitoring facility
- ensuring all staff receive regular updates about on-line safety guidance

### Section 3: Methods and Motivations of Socially Unacceptable or Bullying Type Behaviour

The following are examples of socially unacceptable behaviours which, when targeted, repeated, intentional and causing psychological/physical harm, may be considered as bullying type behaviour:

<b>Physical Acts</b>	Physical – negative physical contact, material harm such as damaging or taking possessions without permission
<b>Verbal or Written Acts</b>	Verbal or written – unpleasant comments, written, verbal, gestures
<b>Social/Relational</b>	Negatively influencing the actions of others to cause psychological or physical harm
<b>Omission (Exclusion)</b>	Excluding someone/others from e.g. game, activity, group work etc
<b>Electronic Acts</b>	Misuse of online platforms or other electronic communications to cause psychological upset

*(Please note the list is not exhaustive)*

Our school acknowledges various motivations for bullying type behaviour which we address through our preventative curriculum and responsive approaches. This includes all identity or prejudice motivated bullying type behaviour related to those characteristics protected through Section 75 of the Northern Ireland Act 1998. Motivations include but are not limited to:

Ability	Economic Status/Free School Meals
Age	Gender/Gender identity/Perceived gender
Appearance	Newcomer/Migrant status
Child Looked After (CLA)/Care experienced	Peer relationship breakdown
Community background	Political affiliation/sectarianism
Cultural	Race
Disability	Religion
SEN	Sexual orientation
Family circumstances (pregnancy, marital status, young carer status)	Other

#### Section 4: Rights, Roles and Responsibilities

In this school, we believe that all members of our school community have the right to be educated in a safe, supportive, learning environment. We acknowledge that all members of our community have a role to play and responsibility to prevent and address bullying type behaviour.

All staff have responsibility with their role to ensure the implementation of the Addressing Bullying Policy and associated practices.

The Pastoral Leader is assigned specific responsibility for oversight of the implementation of the Addressing Bullying Policy and associated practices aligned to Safeguarding and SEND legislation, and the policy's review when necessary. The Senior Leadership Team (SLT) in relation to their roles will support the Pastoral Leader with the ongoing review processes.

## Section 5: Preventative Measures

The Addressing Bullying in Schools Act (NI) 2016, requires schools to focus on preventative measures to help reduce bullying type behaviours. The focus of this section is to set out the approaches taken by our school to help prevent bullying type behaviour effectively.

In Ballymoney Model Integrated Primary School we scaffold and promote a positive, relational learning environment where all members of the school community feel safe, included and valued. Our preventative measures help avoid bullying type behaviour and contribute to support plans for pupils. They are evident in all domains of school life and include, but are not limited to:

<p>Whole School</p> <ul style="list-style-type: none"> <li>• SEND, Addressing Bullying, Positive Behaviour, Safeguarding, Pastoral Care, Inclusion &amp; Diversity policies</li> <li>• Visible school ethos e.g. displays, visual cues, celebrations and positive expectations</li> <li>• Positively framed, agreed and communicated Rights, Roles &amp; Responsibilities for all school community members</li> <li>• Peer/Student Leadership Teams – School Council, Digital Leaders and Eco-Committee</li> <li>• Adults modelling self-regulation, inclusive language and positive relationships</li> <li>• Restorative Practice approaches embedded through staff training and complimentary resources</li> <li>• Steps to Wellbeing (Hi Five Primary Resources)</li> <li>• Trauma Informed and Nurture Principles</li> <li>• Celebration of diversity, equity and inclusion</li> <li>• Parent/Carer education e.g. workshops, newsletters, leaflets, school events etc</li> <li>• Educational projects, events, assemblies, key campaigns e.g. Rights Respecting School, Kindness Month, Friendship Week, Children’s Mental Health Week</li> <li>• Wellbeing assessment data e.g. GL PASS</li> </ul>	<p>Classroom</p> <ul style="list-style-type: none"> <li>• Curriculum: PDMU, RE and RSE</li> <li>• Structured class-meeting time to promote belonging, connection and positive relationships; Class Charter, Circle Time and whole class reward systems</li> <li>• Cross-curricular activities</li> <li>• E-safety and digital citizenship</li> <li>• Connect and nurture strategies – wellbeing initiatives</li> <li>• Physical/sensory environment regulation checklists</li> <li>• Relevant literature and resourcing exploring related concepts and themes e.g. empathy, inclusion, diversity, problem-solving, relationships, resilience etc.</li> <li>• Social thinking/skills training programmes</li> <li>• Collaborative Learning, Problem Solving and Conflict Resolution</li> <li>• Bystander/Upstander Education</li> <li>• Agile groupings and seating arrangements</li> <li>• Online apps and resources</li> </ul>

## Professional Development of Staff

In Ballymoney Model Integrated Primary School, we recognise the need for effective, updated and ongoing training for all staff within our preventative measures. As such, we are committed to:

- ensuring that all staff complete relevant training
- ensuring Governors complete relevant Safeguarding and Child Protection and Addressing Bullying in Schools training, provided by the Education Authority
- reviewing and amending the content of the Addressing Bullying Policy following training, complex case review or as directed by Department of Education
- keeping and regularly updating continued professional development records

To this end:

- teaching and support staff have completed the EA Addressing Bullying in Schools Foundation Training as part of this policy review (Level 1 and Level 2)
- key leadership staff have completed EA Addressing Bullying in Schools Leadership Training (Level 2 and Level 3)
- all our teaching staff have completed additional in school workshops on e.g. systems and processes, prevention and/or effective responses, anti-bias

## Section 6: Statutory Systems and Processes for Reporting, Responding and Recording

As a school we recognise that reporting a concern of bullying type behaviour can be difficult. For this reason, we have systems in place to enable pupils, parents/carers and any other person to share concerns discreetly and efficiently with a trusted adult. All concerns of bullying type behaviour will be responded to in line with legislative processes as outlined in this policy.

### Pupils Reporting a Concern:

Pupils may report bullying type concerns in the following ways:

- verbally sharing with a staff member
- by writing a note to a staff member
- placing the concern in the 'Worry Box'

All pupils are encouraged to share concerns regarding socially unacceptable or bullying type behaviour that they experience, display or witness. They should not view this as 'telling' but rather 'talking about concerns' with the emphasis on 'getting help'.

### Parents/Carers or Others Reporting a Concern:

In the first instance, parents/carers or others report concerns to their child's class teacher in one of the following ways:

- speaking with the class teacher through agreed channels e.g. by requesting a telephone call back via the school office or completing a Contact School form on the school app
- by writing a note to the class teacher

*Please note, we do not advise parents to send confidential information regarding concerns of bullying type behaviour to the general school email address.*

### Staff Reporting a Concern

It is the responsibility of all staff (including teachers, classroom assistants, wider support staff, office staff, supervisors etc) to report any bullying type of behaviour concerns. Please note in the first instance concerns should be reported directly to the child's class teacher in a timely manner as above.

### Responding to and Recording a Bullying Type Concern

All allegations of bullying type behaviour will be responded to using the Statutory Process Flowchart (see Appendix 2), recorded digitally on a Bullying Concern Assessment Form (BCAF) (see Appendix 3) and stored on the school data management system. Records will be maintained in line with our Data Protection Policy in a private folder within central records, password protected and open only to key personnel e.g. Pastoral Leader-Designated Teacher, Vice-Principal and Principal.

Upon receipt of a concern of bullying type behaviour, designated staff will:

- clarify facts and perceptions
- check records and previous assessments

- collaboratively assess the incident using the T.R.I.P. criteria (Record on BCAF Part 1)

Where bullying type behaviour has been confirmed and in consultation with pupils involved and their parents/carers, the Pastoral Leader and linked Head of Key Stage Leader will ensure that Parts 2-4 of the Bullying Concern Assessment Form (BCAF) are completed. They will identify methods and potential motivating factors (record on BCAF Part 2) as follows:

- identify relevant level of support and intervention (Levels 1-4)
- select appropriate support and interventions (see Appendix 4) for all pupils involved (Record on BCAF Part 3a for the pupil experiencing and 3b for the pupil displaying)
- ensure selected approaches are aligned to and in the context of wider safeguarding, SEND and positive behaviour policies
- implement, track, monitor and record effectiveness of supports and interventions (BCAF Part 3)
- review outcome of interventions (Record on BCAF Part 4)
- select and implement further interventions as necessary
- based on the level of progress, revisit BCAF Parts 3a and 3b or proceed to case closure

Please note details of support and intervention plans cannot be disclosed to anyone other than that pupil and their parents/carers.

## Section 7: Monitoring and Review of Policy

The Act places responsibility on the Board of Governors, in consultation with the Principal, to monitor the effectiveness of the Addressing Bullying Policy. To this end, the Board of Governors will:

- maintain a standing item on the agenda, under Pastoral, where a report on all bullying type behaviour is prepared by the Pastoral Leader and presented by the Principal on a half termly basis (see Appendix 7)
- appoint a link Governor to liaise with the Pastoral Leader and Principal (e.g. Designated Safeguarding – Pastoral Care Link Governor)
- minute the number of incidents including how they were addressed
- record written responses to relevant pupils, parents/carers when appropriate
- identify trends and patterns to inform future policy and practice development

The Addressing Bullying Policy will be reviewed in consultation with all school community stakeholders:

- at intervals of no less than four years (this is a minimum requirement, a school may choose to review more frequently), or
- following any complex incident which highlights the need for such a review
- when reviewing other associated policies, such as the Safeguarding and Child Protection Policy and the Positive Behaviour Policy
- in response to a recommendation by the Education and Training Inspectorate
- following new guidance as directed by the Department of Education

A copy of this policy is available online at [www.ballymoneyodelips.co.uk](http://www.ballymoneyodelips.co.uk). Parents/carers can also request a hard copy by contacting the school office on 028 276 62340.

## *Appendix 4: Effective Responses: Support and Intervention Levels 1 & 2*

*This list is not exhaustive and supports implemented are specific to each individual pupil.*

Interventions at Level 1 are designed to support pupils experiencing and/or displaying socially unacceptable or bullying-type behaviours. These interventions should be taken forward while listening to, supporting, and strengthening relationships with and between the pupils involved.

# Appendix 6: Education Authority Guides

## Addressing Bullying Type Behaviour in Schools

### PARENT GUIDE

#### What is Bullying Type Behaviour?

The Addressing Bullying in Schools Act 2016 (NI)

Bullying type behaviour exists in all communities including schools. To respond to this, a new law commenced on 1st September 2021 in Northern Ireland. It provides schools with one legal definition to assess all reported alleged incidents of bullying type behaviour in schools.

The law states that in all schools: *"Bullying" includes, but isn't limited to, repeated verbal, written or electronic communication, by a pupil(s) against another pupil(s) that is intended to cause physical or emotional harm. This also includes leaving someone out on purpose.*

To support a relational and solution focused approach, we no longer use the words 'bully' or 'victim'.

Instead we talk about:  
'pupil displaying bullying type behaviour'  
AND  
'pupil experiencing bullying type behaviour'.

Behaviour that does not meet TRIP is referred to as **socially unacceptable behaviour**.

Whether socially unacceptable OR bullying type behaviour, school will support all young people involved to address the behaviour effectively.

#### When is it Bullying Type Behaviour?

When a concern of bullying type behaviour is shared, staff will clarify facts, perceptions and the individual needs of all pupils involved.

Staff will assess the reported incident using TRIP criteria and identify appropriate interventions aimed at repairing relationships.

Socially unacceptable behaviour becomes bullying type behaviour when, on the basis of the information gathered, TRIP criteria are confirmed:

- Targeted**  
When the behaviour is TARGETED at a specific pupil or group of pupils.
- Repeated**  
When the behaviour is REPEATED over a period of time.
- Intentional**  
When the behaviour is deliberately INTENDED to cause harm.
- Psychological/Physical**  
When the behaviour causes PSYCHOLOGICAL, EMOTIONAL or PHYSICAL harm.

A significant One-off Incident can be considered bullying type behaviour if included in the school policy e.g. where a digital communication has been intentionally shared widely to cause harm.

#### Imbalance of Power, Motivation and Methods

**Imbalance of Power**  
When TRIP is fully evidenced, schools can consider the non statutory, imbalance of power, as a criteria to confirm their decision.

**Motivation**  
Bullying type behaviour in school usually involves a breakdown in peer relationships. Motivation can be related to vulnerable, or minority groups based on e.g. race, religion, gender identity, sexual orientation, (dis)ability, age, appearance, child looked after (CLA), community background, cultural, family circumstances and political affiliation.

**Method**  
Bullying type behaviour can present as relational, verbal or physical and can take place online or offline.

#### Signs that my child could be experiencing bullying type behaviour

Your child may behave differently or show some of the following signs if experiencing bullying type behaviour.

#### Preventative Measures

Schools aim to create and maintain a safe, nurturing, learning environment. Measures are put in place to protect and support those children and young people experiencing or displaying bullying type behaviour to tackle the problem effectively.

All members of the school community have a responsibility to prevent and address bullying type behaviour, whether in person and/or online, as outlined in the school Addressing Bullying Type Behaviour Policy.

School staff work with pupils, parents and carers to agree a relational, solution focused plan to support those experiencing the behaviour and a separate plan for those displaying the behaviour.

The legislation enables schools to address online bullying type behaviours occurring outside school, and/or on the journey to and from school where there is impact on the child's learning.

#### What should I do if my child is experiencing bullying type behaviour?

- Stay calm, listen and reassure your child.
- Report concerns to school staff directly.
- Agree a support plan with staff and your child.
- Review and amend the plan with your child and school staff in response to outcome at agreed intervals.

#### How do I report my concern?

- Reporting procedures are outlined in your school policy. Report your concern as soon as possible.
- Arrange an appointment to meet pastoral staff.
- Outline details of your concern and give staff time to gather information and consider supports.

Details of concern are shared

Staff record the concern electronically e.g. may complete a Bullying Concern Assessment Form (BCAF) for all pupils involved.

Behaviour assessed against the legal definition and TRIP criteria activated. Parents/Carers informed.

Legal definition of bullying type behaviour NOT met

Socially unacceptable behaviour is supported using e.g. Positive Behaviour Policy and safeguarding Policy.

Legal definition of bullying type behaviour IS met

Bullying type behaviour is supported using Addressing Bullying in School Policy.

Relational supports for all pupils involved are agreed, implemented, tracked and reviewed to determine if the situation has improved or if further support is required that may involve other agencies.

Complaints  
Parents and carers can access the school's Complaints Policy on the school website or on request from the school office.

Be aware that only the Northern Ireland legal definition applies to our schools. Further information and advice.

# Addressing Bullying Type Behaviour in Schools PRIMARY

## What is Bullying Type Behaviour?

The Addressing Bullying in Schools Act 2016 (NI)

Bullying type behaviour exists in all communities including schools. To respond to this, a new law commenced on 1st September 2021 in Northern Ireland. It provides schools with one legal definition to assess all reported allegations or incidents of bullying type behaviour in schools.

The law says that bullying type behaviour is mostly repeated verbal, written or electronic communication by a pupil(s) against another pupil(s) that is intended to cause physical or emotional harm. This can also include leaving someone out on purpose.

To help repair the relationships and to support all children involved, we no longer use the words 'bully' or 'victim'.

Instead we talk about:

- 'pupil displaying bullying type behaviour'
- AND
- 'pupil experiencing bullying type behaviour'.

Other unkind behaviours can be called 'socially unacceptable behaviour'.

## When is it Bullying Type Behaviour?

Bullying type behaviour occurs when all four of the actions below are confirmed.

### Targeted

Behaviour is aimed at the same person or people

### Repeated

Behaviour happens more than once

### Intentional

Behaviour has been planned to cause harm

### Psychological/Physical

Behaviour has caused emotional and/or physical harm

A serious One-off Incident can be considered bullying type behaviour (if included in the school policy) e.g. this may involve the repeated sharing of an unkind message or picture online to cause harm.

## Imbalance of Power, Motivation and Methods

### What if you feel others have more power?

When assessing a concern, schools can consider if some pupils involved appear more powerful than others.

### Why does bullying type behaviour happen?

Bullying type behaviour in school usually involves a breakdown in peer relationships. Motivation can be related to vulnerable, or minority groups based on e.g. race, religion, gender identity, sexual orientation, (dis)ability, age, appearance, child looked after (CLA), community background, cultural, family circumstances and political affiliation.

### How does bullying type behaviour present?

Bullying type behaviour can present as relational, verbal and/or physical harm and can take place online and offline.

## If you feel you are experiencing bullying type behaviour

Talk to someone you trust

- a friend
- parents/carers
- teachers
- lunchtime supervisors

Or send a private message through your home-school communication app e.g. Seesaw, Google classroom, Dojo etc.

## What will happen when you tell a teacher?

Your teacher, with school leaders, will support all children involved in a relational way. They will:

- ask you to share the details of your worry.
- keep a digital record of what you tell them and the support plan.
- confirm if the behaviour you described is socially unacceptable or bullying type behaviour.
- with parents or carers, agree a supportive plan for all children involved, to help put an end to the behaviours causing distress.

## If a friend needs help

Thank your classmate for trusting you. It may have taken a lot of courage for them to tell you.

Let them tell you what is wrong and listen. Once they are finished, reassure them that it was ok to share the concern.

Encourage your classmate to ask a member of staff for help.

Accompany them to share their concern with a staff member who will provide support.

**“ Bullying type behaviour is usually when someone is repeatedly and deliberately causing hurt ”**

Be aware that only the Northern Ireland legal definition applies to our schools. Further information and advice.
